

PIZZAS

All our pizza bases are made from semi-sourdough. This gives great flavour and a natural crispiness to the base. Each one is weighed before rolling to ensure they are the same weight - 300g.

We try and keep the toppings as simple as possible, echoing traditional pizzas from Naples. We don't pile extras on top - keep it simple, let the flavours come through.

Our tomato sauce is our own recipe.

At peak times, your pizza may take a little while to arrive. Each one is baked on stone for 8 minutes to ensure good even cooking. We hope you enjoy them.
